

VOLVO MOTOR GRADER

ONE WAY SNOW PLOW

ATTACHMENT

The One Way Snow Plow is used in applications where right side snow discharge only is required. Equipped with manual tip control the One Way Snow Plow “attack angle” can be adjusted for maximum clearing and efficient snow pick-up and discharge.

KEY FEATURES:

- Equipped with adjustable, reversible, high carbon steel skid shoes for long life and safe high speed operation
- Crimped snow repellant surface reduces snow packing and eases discharge
- Twin coil shock mechanism reduces impact damage and operator fatigue
- Reversible high carbon steel edges offer long life

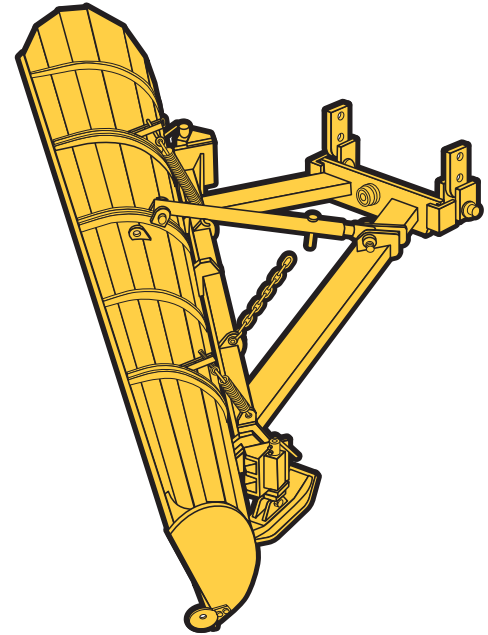

VOLVO

MODEL W005

- Dimensions:

Weight	2,350 lb	(1 065 kg)
Cutting width	122"	(3 099 mm)
Cutting angle	35°	35°
Length at cutting edge	149"	(3 785 mm)
Overall length	173"	(4 392 mm)
Height at discharge end	65.75"	(1 670 mm)
Height at nose	35.25"	(895 mm)

- Material: Roll crimped steel 3/16" (4.8 mm)
- Mounting: Requires front mounting "A" Frame and front hydraulic operating circuit. Plow may be detached from "A" Frame by removing pins and retaining clips

- Tip adjustment: Three position manual adjustment
- Edge: Reversible high carbon steel edges mounted with 0.625" (16 mm) hardware on 12" (305 mm) spacing
- Standard paint color: Volvo Gray
- Consult your dealer for hydraulic and mounting requirements

ONE WAY SNOW PLOW

At Volvo, we build our own line of custom designed attachments, to increase the versatility and productivity of our graders. Volvo attachments are made by grader specialists to meet the unique performance characteristics required in grader applications.

Your safety and the safety of those around you depends on using care and judgement when operating and servicing your grader. Do not operate the grader until you read and understand the warnings and instructions in the operator's manual. Volvo Motor Graders Limited is an ISO 9001 and 14001 registered company. www.volvo.com

Under our policy of continuous product development and improvement, we reserve the right to change the specifications and design without prior notice. The illustrations do not necessarily show the standard versions of the attachment or the machine.
